

## QUALITY POLICY & FOOD SAFETY STATEMENT

Hine Labels manufactures self-adhesive labels, tags, and tickets suitable for non-food contact applications and has a vision of being our clients' preferred partner in the supply of these products.

A key platform in achieving this vision is to provide industry-leading levels of customer service, following current legislation and best practice guidelines set out by global packaging standards.

The products are produced by experienced and trained staff, who are supported by management to deliver on time, within budget, and provide a service that will exceed our customers' expectations.

All employees are aware of the commitment to hygiene and quality, with ongoing training and management leadership, all personnel accept their responsibilities for ensuring that the Company's quality, safety, and hygiene standards are met.

Hine Labels is committed to continuous improvement in all aspects of our business. To advance the products and services we deliver to our customers, Hine Labels is providing all the resources necessary to meet this commitment.

This statement provides the framework for the quality objectives we have set.
